Please be advised that Jarrow Formulas, Inc. is marketing a product containing a "Structure and Function" statement on the label. According to the notification requirements set forth by the DSHEA (Dietary Supplement Health and Education Act, 1994) legislation, please be advised of the following:

Name of Product: Ture CMO™

Active Ingredient(s): Cetyl Myristoleate Extract (Fatty Acid Complex)

Claim(s) "Cetyl Myristoleate Fatty Acid Complex for Joints." CMO is found in low amounts in animal connective tissue. True CMO™ contains the identical compound referenced in a published clinical trial, which is a bovine product and not from a vegetable source.

The following disclaimer appears on the label: These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

These claims are limited to, and a result of, what we believe to be a substantial body of scientific evidence supporting the functional role of these nutrients. A compendium of relative published research substantiating the above statement(s) is on file at the corporate office.

Respectfully submitted,

Siddharth S. Shastri, B.A., C.C.N.
Director of Product Development

97S - 0162

LET 1943
60147

USAGE: As a dietary supplement, take 2 capsules 3 times daily on an empty stomach, or as directed by your qualified health consultant. Avoid ingestion of alcohol and refined foods during period of consumption. Do NOT take if under age 18, pregnant or lactating.

True CMO™ contains a concentrated extract of the fatty acid cerasomal-cis-9-cetyl myristoleate from natural bovine source. CMO is not found in any vegetable oils or other common foods. CMO is found in low amounts in animal connective tissue.

True CMO™ contains the identical compound referenced in a published clinical trial, which is a bovine product and not from a vegetable source. Vegetable oils do not contain cetyl myristoleate.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
